Dear LEA ELPAC Coordinator:

Welcome to the new year! The English Language Proficiency Assessments for California (ELPAC) Test Operations Management System (TOMS) is back online.

As a reminder, please make sure you update your California Longitudinal Pupil Achievement Data System (CALPADS) student demographic data early and often for the upcoming 2018–19 ELPAC administration. Student demographic data in TOMS is read-only; you must access CALPADS to manage and edit student demographic data. Note that only English learners should be administered the Summative ELPAC.

If you have any questions about this email, please contact the California Technical Assistance Center (CaTAC) by phone at 800-955-2954 or by email at [caltac@ets.org](mailto:caltac@ets.org).

Sincerely,

California Technical Assistance Center
