

How to View Test Results for Student Groups

These steps start from the English Language Proficiency Assessments for California (ELPAC) Test Results web page that shows test results for the selected school, district, or county. Instructions on how to access the results can be found in the **How to View Test Results** Quick Reference Guide for the ELPAC.

1 In the Report Options section, select the group or subgroup for which you want to view data.

2 Select the **Apply Selections** button.

i *This will update all results on the page. Data displayed pertains only to the students in the group or subgroup selected. Results will be condensed for each selection.*

3 Select the triangle next to the group or subgroup name to expand specific sets of results.

i *The tables of results show:*

- *Number of students tested and the mean scale scores for overall, oral, and written*
- *Number and percentage of students in each performance level by grade for overall, oral, written, and domain*
