Dear LEA ELPAC Coordinator:

Local educational agencies (LEAs) administering the computer-based Initial ELPAC to eligible students should be using the grade- or grade-span-specific Initial ELPAC *Listening, Speaking, Reading, and Writing Directions for Administration (DFA)* as well as the [2020–2021 Initial ELPAC Online Test Administration Manual](#).

Please note that the [2020–2021 Initial ELPAC Online Test Administration Manual](#) is being updated to correct the referenced location of the Speaking score sheet, which is included on the same page as the Writing score sheet in the kindergarten through two Writing Answer Book. Test Examiners have the option of entering Speaking scores either directly into the Data Entry Interface (DEI) during the administration or entering responses onto the score sheet during the administration and then into the DEI later.

Questions about the 2020–21 Initial ELPAC administration can be directed to CalTAC, by phone at 800-955-2954 or by email at [caltac@ets.org](mailto:caltac@ets.org).

Sincerely,
