Subject: Action Required! 2019-20 Initial ELPAC Training Method and Survey

Dear LEA ELPAC Coordinator:

The Initial English Language Proficiency Assessments for California (ELPAC) administration window is underway for the 2019–20 school year. The statewide 2019–20 Initial ELPAC Administration and Scoring Trainings concluded on August 16, 2019, and our records show that your local educational agency (LEA) did not attend a state-sponsored or regional training.

Annual training is required of staff who administer the Initial ELPAC. If your LEA obtained the required training through another method, please indicate that you received the required training by completing the [2019–20 Initial ELPAC Training Survey](#).

Questions regarding the 2019–19 Initial ELPAC Administration and Scoring Training should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
