Subject: ELPAC: DFAs Updated on February 12, 2020

Dear California Educator:

The 2019–2020 Summative English Language Proficiency Assessments for California (ELPAC) secure *Directions for Administration (DFAs)* were made available on January 14, 2020.

If you downloaded or printed the *DFAs* already, please note there were a few recent changes to the *DFAs* containing the **grade two Listening, Speaking, Reading, and Writing domains**; updated *DFAs* were reposted on February 12, 2020, to reflect these changes. The *DFAs* provide clarification and instructions on how to discontinue a test for a student who is not responding.

The [ELPAC Known Issues](#) web page lists all the changes that were made to the *DFAs*. Please review the changes and follow the guidance on the [ELPAC Known Issues](#) web page to reprint the *DFAs*, if you have already printed them. We also recommend providing the following guidance to your test examiners:

“If at any point the student does not respond to a question after being reprompted twice, select *Mark as No Response* from the question’s *Context* menu. If there have been no answers or no correct answers when you reach the stopping marker, excuse the student, select *Mark as No Response* from the *Context* menu for each of the remaining questions, and then select the [**End Test**] button.”

The LEA ELPAC coordinator can direct questions about ELPAC administration to the California Technical Assistance Center, by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
