Subject: ELPAC: Optional Fall Administration of the Summative ELPAC Survey

Dear LEA ELPAC Coordinator:

To support the reclassification of students who were unable to complete testing in 2019–2020 due to the suspension of testing, the California Department of Education (CDE) has extended the 2019–2020 Summative ELPAC. **The optional fall administration window is open from August 20 through October 30, 2020.**

Recently, in-person and remote options for administering the optional fall Summative ELPAC were shared with local educational agencies. To help the CDE gauge how many students will be tested in-person or remotely, please complete this [short questionnaire](#).

Additional analysis of the remote testing results will be performed which will extend the reporting of fall Summative scores to four to six weeks.

Questions regarding the optional fall administration of the 2019–2020 Summative ELPAC should be directed to CalTAC, by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
