Subject: Reminder: Place a 2019-20 Summative ELPAC Material Order

Dear LEA ELPAC Coordinator:

Beginning with the 2019–20 administration, the Summative English Language Proficiency Assessments for California (ELPAC) will be delivered by means of a computer-based test delivery platform. The four domains—Listening, Speaking, Reading, and Writing—will be administered online, except for the Writing domain for students in kindergarten through grade two, which will remain as a paper-based test.

To date, records indicate that an order has not been placed for this local educational agency (LEA). LEAs should place material orders as soon as possible in the [Test Operations Management System](#) to ensure that materials arrive by January 6, 2020.

Due to the administration of the ELPAC field test in October, there is only a single Summative ELPAC Primary Test Materials Order Window for individual school sites. If the local LEA does not place an order during the Primary Test Materials Order Window, the next opportunity to order Summative ELPAC materials for the 2019–20 administration will be **January 15, 2020. Those materials ordered through the supplemental window will be for grades at the LEA level, not for individual sites.**

Any questions about the Summative ELPAC ordering process can be directed to the California Technical Assistance Center (CalTAC), by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
Educational Testing Service
