Say, "Now I am going to tell you some information about water. Listen carefully. Then we will write about what we have learned."

Read the text aloud to the students.

Say, "Water comes in many forms. It can be a liquid, a solid, or a gas. We can drink liquid water. We can swim in the liquid water found in pools, lakes, and oceans. A solid form of water is ice. When water gets very, very cold, it freezes and becomes ice. When water gets very, very hot, it boils and becomes a gas, or vapor. Water vapor is usually invisible."
Write about what is happening in the picture.
