Subject: ELPAC: K-2 Listening and Reading Domains Stopping Markers Guidance and Answer Keys Available

Dear LEA ELPAC coordinator:

The California Department of Education developed a new resource to be used when administering the 2019–2020 Summative English Language Proficiency Assessments for California (ELPAC) for kindergarten through grade two (K–2) students taking the Reading domain. The [Summative ELPAC – Stopping Marker Guidance for 2019–2020](#) and the **2019–2020 Summative ELPAC Listening and Reading Domains Answer Keys up to the Stopping Markers** guide will help test examiners track students’ responses up to the stopping marker for the different forms.

The [Summative ELPAC – Stopping Marker Guidance for 2019–2020](#) is available on the [Manuals, Instructions, and Quick Reference Guides](#) web page under the Quick Reference Guides header. The **2019–2020 Summative ELPAC Listening and Reading Domains Answer Keys up to the Stopping Markers** are secure materials and can be accessed electronically by local educational agency (LEA) ELPAC coordinators, site ELPAC coordinators, or test examiners just prior to testing. This guide can be printed and stored securely until the Summative ELPAC is administered.

Take the following steps to access the **2019–2020 Summative ELPAC Listening and Reading Domains Answer Keys up to the Stopping Markers** guide, which is available through the [Moodle](#) Training Site (Moodle). Use an existing [Moodle](#) logon credential or, if there is no account, you may create one.

1. Log on to [Moodle](#).
2. Select the [2019–2020 Summative ELPAC Answer Keys] link.
3. Select the [Summative ELPAC Answer Key Downloads] link to access the downloadable materials; enter the enrollment key of “&ku_>nFr4g” when prompted.
4. To unlock the downloadable PDF files, first agree to the Test Security Affidavit by selecting the [Test Security Affidavit] link, checking the *I agree* box, and then selecting the **[Save my choice]** button.

The LEA ELPAC coordinator can direct questions about ELPAC administration to the California Technical Assistance Center (CalTAC), by phone at 800-955-2954 or by email at caltac@ets.org.

Sincerely,

California Technical Assistance Center
