Subject: Smarter Balanced Tools for Teachers Introduction Webinar

Dear California Educator:

You are invited to attend an introduction webinar for California local educational agency (LEA) staff on June 22, 2020, presented by the California Department of Education (CDE). Tools for Teachers is a new Smarter Balanced website that is replacing the Digital Library as the formative assessment component of the Smarter Balanced assessment system. It is an online collection of resources that supports K–12 teachers in their use of the formative assessment process to adjust teaching for improving student learning. **Starting on June 16, 2020, a preview of Tools for Teachers will be available to California LEA staff.** The grand opening of the website is scheduled for September 30, 2020.

Participants in this webinar will view a demonstration of the Tools for Teachers website by CDE staff. Key features and functions will be shown, and there will be an opportunity for participants to ask questions.
